Why settle for a more expensive diagnostic tool that requires a laptop, multiple modules, or one that doesn't have complete functionality?

The KONE Spares diagnostic tool will work with Miprom™ Controllers, HS, MAC® Closed-Loop Door Operators, HR Escalators, E-5000 Escalators and the new ECO3000® Escalators.

Key Features include:

- Level 3 Service Tool
- No lease agreement. This is treated as a “purchased part”
- No longer job specific. Usage is maximized since it can be used on multiple jobs with any of the listed equipment
- No more annual reprogramming
- This powerful tool is the same tool KONE field technicians carry. Delivery available in 1-2 business days

To Order:

- Go to PartsView on www.konespares.com
- Contact a KONE Spares Sales Professional at 800-343-3344
- Via fax at 309-743-5541
